To: Eric R. Shields, AICP, Planning Director
From:  Sean LeRoy, Project Planner
Date: April 15, 2010
File: **ZON10-00009 – TEMPORARY USE PERMIT FOR TENT CITY 4
LAKE WASHINGTON UNITED METHODIST CHURCH & SHARE/WHEEL**

I. INTRODUCTION

A. APPLICATION

1. Applicants: Lake Washington United Methodist Church and SHARE/WHEEL
2. Site Location: 7525 132nd Ave NE (see Attachment 1)
3. Request: Temporary Use Permit (TUP) to locate a homeless encampment called Tent City 4 (TC4) within a grassy area east of the existing Holy Spirit Lutheran Church building for a period of 92 days from April 24, 2010 to July 24, 2010. The maximum capacity of TC4 is 100 people.

The request is to allow a dinner area, community area, storage tents and sleeping tents along with a portable shower, portable toilets, television, kitchen, wash basin and garbage dumpsters. A six-foot tall sight obscuring fabric fence is proposed around the perimeter of the entire church property. This proposal however shall be modified at the time of encampment, if not prior, to place 6' tall sight obscuring fabric fencing around the encampment only.

See Attachment 3 for the co-applicants' description of the project which includes an operational overview, utilities, food, security, TC4 code of conduct, and transportation.

4. Review Process: A TUP is requested per Kirkland Zoning Code (KZC) Chapter 127. A decision is made by the Planning Director.

B. RECOMMENDATIONS

Based on Statements of Fact and Conclusions (Section II), and Attachments in this report, I recommend approval of this application with the site plan and project description submitted by the co-applicants in Attachments 2 and 3, subject to the following conditions:

1. SHARE/WHEEL'S TC4 shall be limited to the maximum duration allowed by KZC Section 127.30.2.b which is 92 days. Based on a move in date of April 24, 2010, TC4 should leave the Church property by July 24th, 2010.
2. The following performance and development standards pursuant to KZC Section 127.25 must be met by SHARE/WHEEL'S TC4:

a. Health and Safety

- (1) SHARE/WHEEL'S TC4 shall permit daily inspections by Seattle/King County Public Health to check compliance with the standards for homeless encampments.
- (2) SHARE/WHEEL'S TC4 shall comply with Washington State and City Codes including those concerning, but not limited to, drinking water connections, human waste, solid waste disposal, electrical systems, and fire resistant materials.
- (3) SHARE/WHEEL'S TC4 shall permit frequent inspections by City inspectors to check compliance with the standards for homeless encampments and shall implement all directives from the inspectors within a specified time period.
- (4) SHARE/WHEEL'S TC4 shall prohibit littering at the encampment and shall regularly conduct litter clean-up patrols in the immediate vicinity of the encampment.
- (5) Open Flames are not permitted.

b. Conduct and Security

- (1) The TC4 residents shall adhere to the "Code of Conduct" submitted as part of the application to this TUP (see Attachment 3).
- (2) No animals shall be permitted in TC4 except for service animals.
- (3) SHARE/WHEEL is responsible for enforcing the Code of Conduct.
- (4) Quiet hours at TC4 shall be between 9:00 PM and 8:00 AM. During this time, activities in TC4 shall be limited to prevent disturbance to surrounding residential properties.
- (5) SHARE/WHEEL'S TC4 shall take all reasonable and legal steps to obtain verifiable identification from prospective encampment residents and use the identification to obtain sex offender and warrant checks from the appropriate agency. All requirements of the Kirkland Police Department related to identified sex offenders, or prospective residents with warrants shall be met.
- (6) SHARE/WHEEL'S TC4 shall immediately contact the City of Kirkland Police Department if the reason for rejection or ejection of an individual from the encampment is for an active warrant or a match on the sex offender check, or if in the opinion of the

encampment, the rejected/ejected person is a potential threat to the community.

Other individuals who are turned away from camp shall be handled as follows: 1) SHARE/WHEEL'S TC4 security workers shall walk the individual to the bus stop and wait with them until the bus arrives; or 2) a camp vehicle shall be used to drive the individual to the closest available bus service; or 3) a taxi or volunteer driver shall be called and TC4 security workers shall be available to wait with the person. Taxi vouchers shall be available from SHARE/WHEEL when buses are not operating.

- (7) SHARE/WHEEL'S TC4 shall not register children under 18 to stay overnight at the homeless encampment. If a child under the age of 18, either alone or accompanied by a parent or guardian, attempts to stay at the homeless encampment, SHARE/WHEEL shall immediately contact Child Protective Services, and endeavor to find alternative shelter for the child and any accompanying parent(s) or guardian(s).
- (8) SHARE/WHEEL may be contacted at (206) 448-7889 for complaints regarding TC4.

c. Parking and Transportation

- (1) The total number of vehicles associated with SHARE/WHEEL'S TC4 shall not exceed five vehicles and shall be parked in the Church's parking lot as identified on the site plan (see Attachment 2).
- (2) All TC4 residents shall be provided with bus tickets as needed.

d. General Standards

- (1) The encampment shall be located at least 20 feet from all property lines.
- (2) A sight-obscuring fence shall be required as shown in Attachment 2 and described in Section II.D.1.a below. If, after installation, the proposed double-layered fabric fence does not obscure views of TC 4 and/or does not hold up in inclement weather, the applicant shall work with City to install a replacement fence that meets City standards.
- (3) Any exterior lighting shall be directed downward and contained within the homeless encampment.
- (4) The maximum number of residents is 100.

- 3. The City may void this permit pursuant to KZC Section 170.50 if there are repeated violations of any aspect, including conditions of approval or performance and development standards, of the permit.

4. At least by the end of the TUP period (July 24, 2010), the site shall be returned to its original condition by the co-applicants. The co-applicants shall reimburse the City for any expenses incurred by the City in abating the temporary use (see Attachment 4).
5. This application is subject to the applicable requirements contained in the Kirkland Municipal Code, Zoning Code, and Fire and Building Code. It is the responsibility of the co-applicants to ensure compliance with the various provisions contained in these ordinances. Attachment 5, Development Standards, is provided in this report to familiarize the co-applicants with some of the additional development regulations.

II. **FINDINGS OF FACT AND CONCLUSIONS**

A. **SITE DESCRIPTION**

1. Site Development and Zoning
 - a. Facts:
 - (1) Size: The size of the area proposed to be occupied by SHARE/WHEEL'S TC4 is approximately 25,740 square feet. The Church property is 162,917 square feet or 3.74 acres in size.
 - (2) Land Use: Church.
 - (3) Zoning: RSX 7.2 (low density residential)
 - (4) Terrain and Vegetation: The area in which TC 4 is being located (including required parking) contains a surface parking lot and a lawn area. The majority of the lot's trees are around the perimeter of the property and the trees that are within the encampment will not be disturbed during encampment.
 - b. Conclusions: The area of the encampment is a small fraction (approximately 15%) of the total site area of the church. There will be little site disturbance because the tents and other TC 4 structures and uses will be placed in vacant areas of the property.
2. Neighboring Development and Zoning
 - a. Facts:

North – RSX 7.2, single family residential
East – 132nd Ave NE, boarder of City of Kirkland, City of Redmond and Unincorporated King County
South – RSX 7.2, single family residential
West – RSX 7.2, single family residential
 - b. Conclusion: The Church and encampment site is bordered on the North, South and West with low density residential zoning and improvements, and on the East by 132nd Ave NE and Unincorporated King County and the City of Redmond. TC 4 should be subject to the requirements for

temporary uses found in KZC Chapter 127. Section II.D below contains an analysis of the City's requirements and the proposed encampment.

B. HISTORY

SHARE/WHEEL'S TC4 current proposal marks the sixth such request Citywide, though at various locations, since 2005. The current proposal would mark the second stay at Lake Washington United Methodist Church, with the first being in 2005. In each of the prior four proposals, a Temporary Use Permit was approved by the Planning Director.

C. STATE ENVIRONMENTAL POLICY ACT (SEPA)

1. Fact: This application is exempt from SEPA per WAC 197-11 800(1) Minor construction.
2. Conclusion: The applicant and City have met the requirements of SEPA.

D. APPROVAL CRITERIA

1. Section 127.20 – Criteria for Granting a Temporary Use Permit

The City may grant a temporary use permit only if it finds that:

- The proposed temporary use will not be materially detrimental to the public welfare, or injurious to the property or improvements in the immediate vicinity; and
- The proposed temporary use is compatible with existing land use in the immediate vicinity; and
- The proposed temporary use or site plan is not otherwise allowable in the zone in which it is proposed.

- a. Facts:

- (1) Materially Detrimental: The proposal includes operational guidelines that speak to the conduct and governance of the residents as well as health and safety issues. SHARE/WHEEL'S TC4 has a Code of Conduct with which it pledges to comply. It has two security workers on-duty at all times that check visitors at the entrance to the camp. The security workers patrol the camp and the surrounding area. An Executive Committee (the internal governing committee for TC4) member is also on-duty at all times.

The security of surrounding properties and residents or visitors is the responsibility of the Kirkland Police Department, Redmond Police Department and King County Sheriff. The law enforcement community has a joint response agreement in effect and routinely

responds to requests from neighboring jurisdictions. The City has designated a Fire/Building Inspector to make frequent visits to TC4 to check-in and confirm compliance with permit conditions and standards. ID checks are conducted and logs of individuals are maintained by the encampment. KZC Section 170.50 addresses what the City should do if there are repeated violations of any aspect of a permit approved by the City.

- (2) Compatibility: The encampment has fairly generous setbacks from surrounding homes. TC4 has also established a quiet time from 9:00pm to 8:00am. SHARE/WHEEL staff and TC4 residents have stated that concerns from neighbors may be called in to SHARE/WHEEL at any time and a response will be provided as soon as possible. The required sight obscuring fence surrounding the encampment will contain the tents and assist with privacy concerns.
- (3) Not Otherwise Allowable: Temporary housing or camps are not listed as allowed uses within any zone in Kirkland. KZC Section 5.780 defines a Residential Use as, "Developments in which persons sleep and prepare food, other than developments used for transient occupancy."

b. Conclusions: The application complies with the criteria for a TUP provided that the following actions are taken:

- (1) SHARE/WHEEL's TC 4 should check identification of incoming residents and provide the information to the King County Sheriff's Office or the City in order to check for warrants and sex offender status.
- (2) SHARE/WHEEL's TC 4 should contact the Kirkland Police Department if there is a rejection of an individual from the encampment that is a potential threat to the community. Other persons who are not accepted should be escorted to a bus stop by TC 4 security or provided a ride from a volunteer or taxi. Taxi vouchers should be made available in situations when buses are not operating.
- (3) The City should continue to have a Fire/Building inspector or other City official make frequent visits to the site to check for compliance with permit conditions.
- (4) SHARE/WHEEL's TC 4 should be held to the same standard as other residents or visitors in Kirkland in terms of their behavior in public areas.
- (5) Children, whether or not accompanied by parents or guardians, should not be allowed to stay overnight at TC 4. Child Protective Services should be immediately notified if children try to enter or accompany adults entering TC 4.

- (6) Litter should be patrolled and cleaned up as necessary by SHARE/WHEEL's TC 4.
- (7) The City should void the TUP if there are any repeated violations of the conditions of approval.
- (8) Quiet hours should be observed by the encampment residents between the hours of 9:00 PM and 8:00 AM every day.
- (9) A sturdy, six foot tall, sight-obscuring fence should be provided for separation and privacy as proposed.

2. KZC Section 127.25.2 Dimensional Requirements and Development and Performance Standards for homeless encampments

a. Facts: KZC Section 127.25.2 standards for homeless encampments are listed below:

- (1) An application for a homeless encampment must include a local church or other community-based organization as a sponsor or managing agency. *Within the disapproval jurisdiction of the Houghton Community Council, an application must include a local church as a sponsor or managing agency.*
- (2) The encampment shall be located a minimum of 20 feet from the property line of abutting properties containing residential uses.
- (3) Sight-obscuring fencing is required around the perimeter of the homeless encampment unless the Planning Director determines that there is sufficient vegetation, topographic variation, or other site conditions such that fencing would not be needed.
- (4) Exterior lighting must be directed downward and contained within the homeless encampment.
- (5) The maximum number of residents within a homeless encampment is 100.
- (6) Parking for five vehicles shall be provided.
- (7) A transportation plan is required which shall include provision of transit services.
- (8) The homeless encampment shall be located within one-half mile of transit service.
- (9) No children under 18 are allowed in the homeless encampment. If a child under the age of 18 attempts to stay at the homeless encampment, the managing agency shall immediately contact Child Protective Services.
- (10) No animals shall be permitted in encampments except for service animals.

- (11) A code of conduct is required to be enforced by the managing agency. The code shall contain the following as a minimum:
 - a) No drugs or alcohol.
 - b) No weapons.
 - c) No violence.
 - d) No open flames.
 - e) No loitering in the surrounding neighborhood.
 - f) Quiet hours.
- (12) The managing agency shall ensure compliance with Washington State and City codes concerning but not limited to drinking water connections, human waste, solid waste disposal, electrical systems, and fire-resistant materials.
- (13) The managing agency shall take all reasonable and legal steps to obtain verifiable identification from prospective encampment residents and use the identification to obtain sex offender and warrant checks from the appropriate agency. All requirements by the Kirkland Police Department related to identified sex offenders or prospective residents with warrants shall be met.
- (14) The managing agency shall permit daily inspections by the City and/or Health Department to check compliance with the standards for homeless encampments.

The applicant has submitted a written response to the above listed standards (see Attachment 3).

- b. Conclusions: Based on a review of the applicant's proposal, Staff has determined that the applicant's proposal is consistent with the required standards found in KZC Section 127.25. Therefore, the TUP should be contingent on the applicant following through on the proposal so that the standards in KZC Section 127.25 are met.

3. KZC Section 127.30 Frequency and Duration of Temporary Use

- a. Facts: KZC Section 127.30.1 states that the City may not grant a temporary use permit at the same site more frequently than once in every 365-day period. The City may only grant a temporary use permit for a specified period of time, not to exceed 60 days. For homeless encampments, the time period cannot exceed 92 days.

The applicant is proposing to host TC4 for a period of 92 days from April 24, 2010 to July 24, 2010.

- b. Conclusions: The City may approve a TUP for TC4 at the Lake Washington United Methodist Church for up to 92 days. The applicants proposed dates for TC4 is consistent with this code requirement.

4. KZC Section 17.35 Removal of Temporary Use

- a. Facts: Section 127.35 requires the City to designate a deadline for removal of the temporary use and to ensure that if the use is not

removed, the applicant will pay 100% of the cost for the City to remove the temporary use.

As part of the application materials, the City received a signed and notarized agreement 'Temporary Use Permit' which specifies an agreement for the removal of a temporary use.

- b. Conclusions: The application complies with KZC Section 127.35.

E. DEVELOPMENT REVIEW

1. Fact: Additional comments and requirements placed on the project are found as development standards listed in Attachment 5.
2. Conclusion: The applicant should follow the requirements in Attachment 5.

III. APPEALS

There is no administrative appeal of the Planning Director's decision for a temporary use permit. The action of the City in granting or denying an application under this chapter may be reviewed pursuant to the standards set forth in RCW 35.70C.130 in the King County Superior Court. The land use petition must be filed within 21 calendar days of the issuance of the final land use decision of the City. For more information on the judicial process for land use decision, see Chapter 36.70C RCW.

- 2.a. An application for a homeless encampment must include a local church or other community-based organization as a sponsor or managing agency. Within the disapproval jurisdiction of the Houghton Community Council, an application must include a local church as a sponsor or managing agency.**

Lake Washington United Methodist Church is applying for this Temporary Use Permit as the sponsoring organization along with SHARE/WHEEL which will serve as the managing agency for Tent City4. Lake Washington United Methodist Church would like to invite Tent City4 to stay on its grounds from April 24, 2010 to July 24, 2010.

- 2.b. The encampment shall be located a minimum of 20 feet from the property line of abutting properties containing residential uses.**

We have planned the camp layout carefully to leave 20 feet between our property line and Tent City structures and residents. See attached camp layout.

- 2.c. Sight-obscuring fencing is required around the perimeter of the homeless encampment unless the Planning Director determines that there is sufficient vegetation, topographic variation, or other site conditions such that fencing would not be needed.**

Any part of the camp perimeter which is not bordered by the church building will be fenced with portable fencing, six feet tall, dark in color. The fencing will not sag noticeably and will be sight-obscuring. *fence only around encampment*

- 2.d. Exterior lighting must be directed downward and contained within the homeless encampment.**

No exterior lighting is planned.

2.e. The maximum number of residents within a homeless encampment is 100.

Tent City4 will maintain a camp of 100 or fewer residents. Those seeking shelter above this number after the buses stop running will be allowed to stay until the buses start running or day break. Every effort will be made to try and find appropriate shelter elsewhere for these individuals. Tent City has taxi vouchers and bus passes. The passes are stored in the security tent and are distributed to residents as needed and basically upon request. Bus passes are also used for residents being barred from the camp and people who would have liked to have joined the camp but were turned away.

2.f. Parking for five vehicles shall be provided.

We have made arrangements for 5 vehicles to park in our parking lot. These parking spots will be marked as reserved for Tent City 4.

2.g. A transportation plan is required which shall include provision of transit services.

Metro routes #238, 245 and 265 all have stops less than ½ mile from Lake Washington United Methodist Church. Route 238 runs between the Bothell Transit Center and the Kirkland Transit Center, includes weekday and weekend service, and runs from approximately 6am to 10:30pm. Route 245 runs between the Kirkland Transit Center and Factoria via Overlake and Crossroads, includes weekday and weekend service and runs from approximately 6am to midnight. Route 265 runs from Redmond to downtown Seattle via the Houghton Park and Ride, weekday mornings from 6:15am to 8:15am, and returns from downtown Seattle on weekday afternoons to arrive in Houghton between 4:15pm and 6:40pm. Residents needing transportation to Seattle on weekends will need to transfer at the Kirkland Transit Center.

2.h. The homeless encampment shall be located within one-half mile of transit services.

There are 3 bus stops less than ½ mile from the church: Metro Route #245 stops at NE 80th St and 132nd Ave NE (.3 mile from the church); Metro Routes #245 and 265 stop at NE 132nd Ave and NE 70th St. (.4 mile from the church)

- 2.i. No children under 18 are allowed in the homeless encampment. If a child under the age of 18 attempts to stay at the homeless encampment, the managing agency shall immediately contact Child Protective Services.**

No children will be registered at the camp or become residents. Those under 18 will be turned away, except under exigent circumstances. Child Protective Services will be called within one working day of arrival.

- 2.j. No animals shall be permitted in encampments except for service animals.**

Only service animals are allowed in Tent City4.

If these rules are not respected and enforced, Tent City4 may be permanently closed.

- 2.l. The managing agency shall ensure compliance with Washington State and City codes concerning but not limited to drinking water connections, human waste, solid waste disposal, electrical systems, and fire-resistant materials.**

Drinking water shall be provided by using the Church's water supply. FOR A TEMPORARY USE PERMIT (SECTION 127.20)
PLANNING DIRECTOR DECISION

- 1. Explain how the proposed temporary use will not be materially detrimental to the public welfare, or injurious to the property or improvements in the immediate vicinity.**

Tent City4 has an excellent record of safety in previous neighborhoods. We firmly believe that hosting the encampment will not have material detrimental effects on public welfare. The area directly surrounding Lake Washington United Methodist Church is composed of residential housing. The up to 100 residents of Tent City will not significantly affect the neighborhood's density and will hardly be noticed. Outside our grounds, we anticipate only normal foot traffic to and from bus stops and local area businesses; therefore significant impact on these areas is not anticipated. After their stay, everyone and everything brought to the property by and for Tent City4 will be removed, returning the property to its previous state.

At least 8,300 men and women are homeless in King County nightly. There are only 2,500 shelter beds, so the majority of these homeless people sleep outside, alone and in danger. Consequently, at least 39 homeless people died outside or by violence in King County last year, and at least 2 have already died in similar circumstances this year.

Our community's Ten Year Plan to End Homelessness created and implemented by the King County Committee to End Homelessness, and endorsed by Lake Washington United Methodist Church, "recognizes that people experiencing homelessness are at immediate personal risk and have a basic right to safety, as do all members of our community. Interim survival mechanisms – services focused on keeping people alive – that respect the rights of all community members and neighborhoods are necessary until such time that affordable permanent housing is available to all."

Tent City4 is an interim survival mechanism that helps keep some of these people, who would otherwise be at great risk, stay together and safe. It allows its participants to store their belongings while away from camp at work and appointments, and allows participants to return at hours convenient to their jobs and appointment schedules. Not only do these members of the public benefit from Tent City4 but the public at large benefits by these residents being safe and secure.

Attachment 6

2. Explain how the proposed temporary use is compatible with existing land use in the immediate vicinity.

Our site is zoned for a church, and this mission is well within the normal activities of a church, therefore allowable in the zone where it is proposed. Lake Washington United Methodist has a long-standing, core mission of sheltering and caring for the poor and homeless people in our community. We are a founding congregation of both the Kirkland Interfaith Network (KIN) and Kirkland Interfaith Transitions in Housing (KITH). We hosted Tent City 4 on our property in 2005, and have continued serving dinner once a month at Tent City 4 since then. Several months a year, we shelter 6-8 women from the Sophia Way program for homeless women in our building on Friday and Saturday nights. We are a support congregation for Congregations for the Homeless, and provide regular dinners for the KITH Community Supper at Holy Spirit Lutheran church. We also have participated in building a Habitat for Humanity house in the past.

3. Explain how the proposed temporary use or site plan is not otherwise allowable in the zone in which it is proposed.

We are a church. Our property is zoned for a church. Housing the homeless and serving the poor is a traditional and sacred duty of churches. Under state and federal law, hosting Tent City4 is allowable in within our zoning. Without waiving our constitutional right to practice our religion, we are applying for this permit with SHARE and WHEEL in order to work cooperatively with the City of Kirkland and our neighbors.
